Dear Ellie,

Words cannot express the fun I have had on this trip thru Italy. You have taken us places I would never visited if it wasn't for this trip. I have learned so much and experienced things beyond my expectations. All the food was the best and very elegant. I love my beautiful jewelry you helped me pick out and will wear them with you in mind.

Thank you and Espira for all the planning and wonderful things you helped us experience.

Ellie you are the best. I will miss you.

Love, Abby

All I can say:

I have had a ample sufficiency of a very gracious abundance and more.
